
Substance Painter 2019.2.2

Download

Substance Painter gives you all the tools you need to texture your 3D assets. What you see is what you get. The PBR real-time view window allows you to work with assets. 3D and .2D. Substance Painter has all the tools you need to create realistic textured 3D art. The program is suitable for both game engines and applications that use two-dimensional graphics. Substance Painter contains tools for modeling, for working with light, for painting particles, for working with shaders. With Substance Painter, you can create and animate characters, draw textures, create environments, and even draw comics.
