■ Binding of the Goddess The prophecy of a world that will be sacrificed for the Goddess has come to pass. A land that was once at peace becomes a place of sorrow, and the Warriors of Light are drawn forth from their hiding places to make a stand against the evil that has come to the Kingdom of Elden. ■ Rise, Tarnished, and Become an Elden Lord Prepare for the future battle with the Tarnished Queen, a bad spirit and the last remaining representative of the past kingdom. This is a story that will take you on a journey where the fate of the world rests in your hands. ■ Ascend to a new World of Adventure Become the hero, Tarnished! Adventure awaits in a world full of a variety of surprises, so get ready for the epic journey that lies ahead of you! ■ About Deep Silver Düsseldorf GmbH Deep Silver Düsseldorf GmbH is a worldwide independent game publisher with offices located in Germany, France, the UK and the USA. The company was founded in March 2002 by Bert Schorch, and since then its principal activity has been to create and publish video games based on the film and television industry, such as the Harry Potter™ series, as well as based on the Far Cry, The Legend of Spyro and Saints Row franchises. Sensational claims that have been made about the Vatican's close relationship with the Vatican Bank and the fact that the bank is run by Vatican employees has some questioning the role of Pope Francis. The non-profit, international bank is meant to help Vatican City fund Church institutions by providing them with cash, like priests and nuns. The Vatican's bank has taken more than \$1 billion from Catholic dioceses in the last two decades. The bank is located in the basement of the Vatican's offices, a small room that is easily missed. But since Pope Francis took the job of the Bishop of Rome, it has been the center of many conversations about his approach to the Catholic Church and the Vatican finances. Paul Zarelli, an Italian priest and filmmaker, has been taking a close look at the bank. "Once you've

Naver "In the visual sense of the word, there are many negative, and in the negative sense of the word, there are many positive things, and it's not easy to say anything good in those two categories. At the same time, there is a certain charm to the whole thing, and the raw feeling that will be in your heart the whole time you are playing the game." Skype "It's not just anyone can play this game. Your character is born in the Lands Between, as a young child that you can customize, and you will know who you are and how you think of yourself." By the way, maybe the one and only DEMO, is playable. 3.The character is born in the Lands Between, and in order for you to grow up and become an Elden Lord, you must make an army and take over the World! Elden Ring is a game that is somewhat similar to The Elder Scrolls: Skyrim. There is no experience system, you only level up by beating enemies, and as a result, you can progress through the entire game without having to see the same thing repeatedly. There is no story, there is only the objective of completing various quests and participating in the battle against the enemy with an infinite amount of weapons and armor! The two main stories are Full of Delusions and Temptation of Monsters. "This is the first RPG that has made me feel like I am back in the Middle Ages. This is the first modern action RPG that has made me think of MMOs. This is the first RPG that has made me want to buy a game again. I have never felt so attached to an RPG, it was so real!" 1. Playable. It is easy to test and play with the world that is almost perfect. 2. Possible to play with an unlimited amount of players. A cross-platform competitive online RPG. 3. A game that is complete in itself. A game that is not based on the familiar, but on the fantasy. Tarnished is fully dependent on the thought of the fantasy and the power of an object to be born, which is clearly unique. 4. It is a bff6bb2d33
